income families in rural areas of greatest need for housing.

(b) FmHA or its successor agency under Public Law 103-354 intends to fund projects which include counseling and delivery of housing programs.

(c) State Directors are given a strong role in the selection of grantees so this program can complement FmHA or its successor agency under Public Law 103-354's policies of targeting FmHA or its successor agency under Public Law 103-354 resources to areas of greatest need within their States.

(d) FmHA or its successor agency under Public Law 103-354 expects grant recipients to implement a TSA program and not to use TSA funds to prepare housing plans and strategies except as necessary to accomplish the specific objectives of the TSA project.

### § 1944.503 Objectives.

The objectives of the TSA Grant Program are to assist low-income rural families in obtaining adequate housing to meet their family's needs and/or to provide the necessary guidance to promote their continued occupancy of already adequate housing. These objectives will be accomplished through the establishment or support of housing delivery and counseling projects run by eligible applicants. This program is intended to make use of any available housing program which provides the low-income rural resident access to adequate rental properties or homeownership.
